

Genome Consortia Members and Funding Acknowledgements

Double Haploid Apple Genome

Consortia members

Washington State University
University of Washington
INRA, France
IASMA, Italy

Funding support

USDA AFRI 2008 35300-04676
WSU Agriculture Research Center Hatch Funds to AD 2009-31100-06053
Washington Tree Fruit Research Commission

Sweet Cherry Genome

Consortia members

Washington State University
Facultad de Ciencias Agronómicas, Universidad de Chile
Instituto de Nutrición y Tecnología de los Alimentos, Universidad de Chile

Funding support

WSU Agriculture Research Center Hatch Funds to AD 2009-31100-06053
Washington Tree Fruit Research Center
Innova CORFO (07CN13 PBT-167)
CONICYT, FONDECYT/Regular N°1120261

Double Haploid Comice Pear Genome

Consortia members

Washington State University
Facultad de Ciencias Agronómicas, Universidad de Chile
Instituto de Nutrición y Tecnología de los Alimentos, Universidad de Chile
INRA, France
IASMA, Italy

Funding support

WSU Agriculture Research Center Hatch Funds to AD 2009-31100-06053
Pear Bureau Northwest
PCB, ICM

Almond Genome

Consortia members

CEBAS-CSIC
KU
SCU
QAAFI, Australia
Washington State University

Funding support

Séneca Foundation, MICINN, Danish Research Council for Technology and Production Sciences, Villum Foundation research center “Pro-Active Plants”, Villum Young Investigator Grant to RSP
MICINN
WSU Agriculture Research Center Hatch Funds to AD 2009-31100-06053
